

SIZE GUIDE: PAINTER'S WIFE

To help you to correctly find a size, brand has created a template for each of their styles. You can also find some breeds for your reference, but please always take into account your pet's characteristics.

Measure your dog according to indications below, and then find their perfect size.

DEFINITION OF CONCEPTS

Back. Length from the base of the neck to the base of the tail.

Neck. Around the neck, allowing room for a comfortable fit.

Chest. Widest point of the chest, going all the way around.

Cottonwear
